**UNIVERSAL GREEN
PACKAGING INC.**

BRAND IDENTITY

UNIVERSAL GREEN PACKAGING INC

Universal Green Packaging is an indispensable resource on packaging technology and the strategic challenges driving innovation for early adopters, technologists and buyers across the international packaging value chain.

Working across digital, multimedia and print platforms, and innovative live content through physical and virtual events, we deliver world-class content through the live event and networking platforms of the **Sustainable Packaging Summit** and the **Global Packaging Innovation Forum**, and **Touchpoints** (focusing on consumer engagement with packaging) in addition to the Packaging Europe brand itself.

Packaging Europe is also the organizer of the **Sustainability Awards** - the leading global competition focusing on sustainable packaging innovation.
